# CloudNET Company Official Partnership with Cambodia Microfinance Association (CMA)

MOU CMA-CloudNET

09/09/2016

A Memorandum of Understanding signing ceremony for partnership between CloudNET Co.,Ltd & Cambodia Microfinance Association (CMA) was held on 09 September 2016 at CloudNET Co.,Ltd office, Phnom Penh.

Mr. MEAS Sam Ol, Business Manager at CloudNET said, “The purpose of this MOU is to introduce a software program called CloudNET Core-Banking System, which is a Web-based core program that is user-friendly for the needs of microfinance institutions and other leasing companies in Cambodia.

Seeing the rapid growth and development in the banking sector and microfinance institutions which have been an essential driving force to boost economic growth and reduce poverty in Cambodia, CloudNET Co., Ltd is pleased to introduce a new financial software program specializing in operating smart, fast transactions, at low-cost, easy to use anywhere, and flexible to the user needs. It can fulfil all the needs for Microfinance to achieve its vision and mission which is called CloudNET Core-Banking System program.

As a software program service provider officially recognized by the Cambodia Microfinance Association (CMA), we believe that the CloudNET Core-Banking System program will be able to support the cooperation between all members and stakeholders in the microfinance sector in Cambodia, to faster develop and grow with sustainability.
